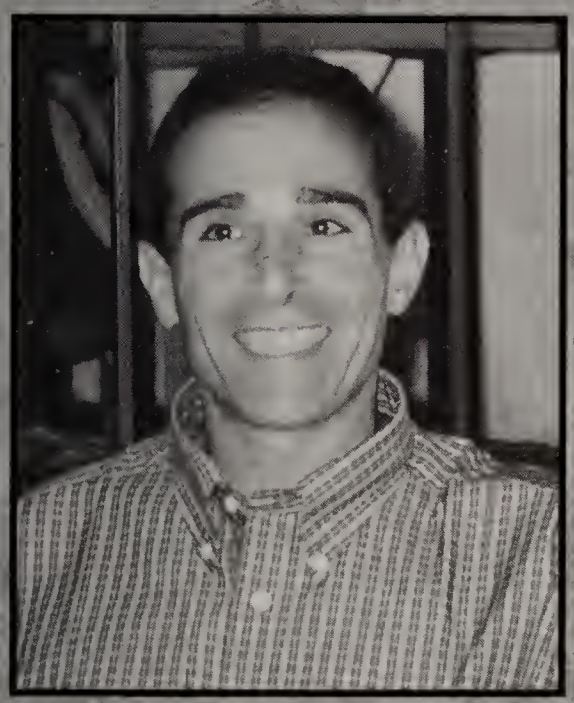
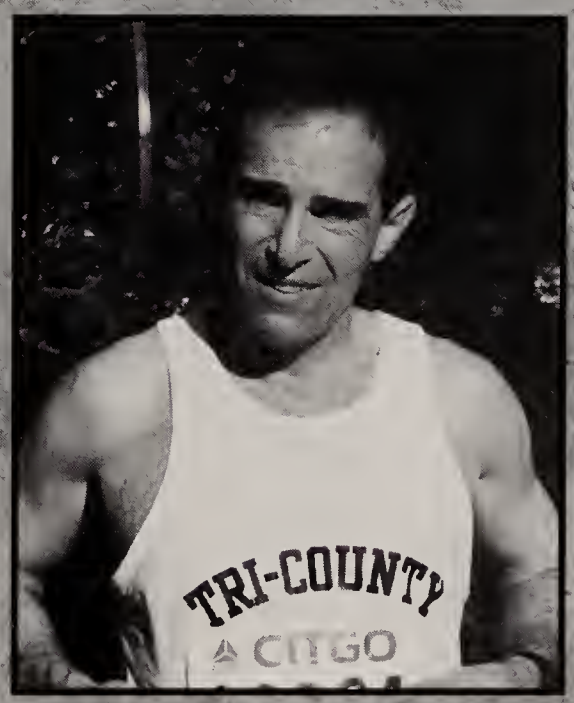
Dedication

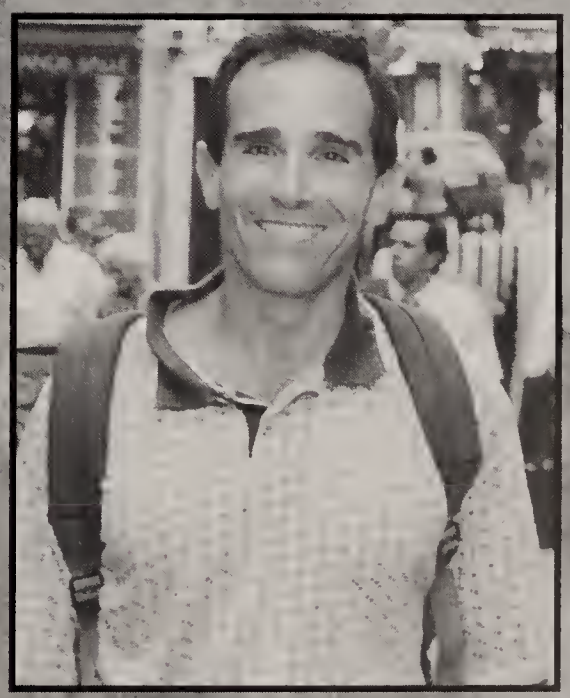
Mr. R. Randolph Sloane

A yearbook is among one of many treasured items a student will leave high school with. This simple book holds memories that will last a lifetime. The class of 2001 would like to dedicate this very special book to a man who has gone above and beyond for all of us.

During our senior year, Mr. Randy Sloane, our guidance counselor, has helped inspire all of us. His gentle manner and quiet goodness were evident to all who encountered him. The senior class would have been lost without his guiding hand, and we will never be able to thank Mr. Sloane for all he has done for us. We dedicate our yearbook, our memories, to you, Mr. Sloane. Due to your hard work we have had the time of our lives. Thank you. *The Class of 2001*







A message from the Superintendent-Director Mr. John M. Jones

To the Class of 2001:

For twelve years most of you have grown up with a pattern of life seemingly fixed and secure. At this time you are enjoying, quite properly, the sense of achievement, which comes from reaching a goal long sought. During those twelve years you have developed from very young children into men and women ready for the responsibilities of adulthood.

Now you will face up to those responsibilities. In so doing you will find life to be an ever-varying and exciting mixture of success and failure. Fortified with the optimism of youth, and the education you have obtained, you have every right to be hopeful and confident. In that hope and in that confidence lies your best chance for personal success and satisfaction.

There will be those who will test you, will try to draw you away from the good life through cynicism and pessimism. But if you keep your ideals high, if you are not content with the second rate, if you continue your ambition to be the best – you will be.

My congratulations and best wishes go with you as well as my sincere appreciation to each of you for having been with us here at Tri-County.

Sincerely,

John M. Jones
Superintendent-Director

A message from the Principal
Mr. Peter H. Rickard

To The Members of The Class of 2001,

Your time at Tri-County has been an opportunity for you to learn a skill and to develop as an educated person. Hopefully, the school through our teachers and other staff have contributed to your development and have helped you to be all you can be.

Your class witnessed the advent of a new millennium. As we advance into the twenty-first century, employment will change, technology will advance, and you, the graduates of a modern technical education should have the skills and ability to change with it.

Tri-County has experienced quite a bit of change in your four years. We have undergone an increase in academic standards, we have seen our enrollment climb, and we have felt an improvement in public perception of the importance and value of a vocational-technical education.

Now, as alumni of Tri-County you must continue our traditions. Take pride in the education you received. Celebrate your successes and plan for your goals to be achieved. I wish you the best of luck in your future endeavors.

Yours truly,

Peter H. Rickard
Principal

A message from the Officers of the Class of 2001

Looking back on the past four years, it is a pleasure to see just how much the Tri-County community has grown! We've made many friends along the way and hopefully we won't lose contact with one another. It is hard to believe that it is time for graduation already. We guess that Mr. Beasley was right when he told us as freshmen that this would be the quickest four years of our lives.

On behalf of Tri-County's class of 2001 we would like to thank all of the teachers, faculty and staff members who have helped us build and strengthen the foundation of our futures. Remember, *"Man is born to live, not to prepare for his life."*

Sincerely yours,

Lea McLean

The 2000 Football cheerleader season consisted of two teams: Junior Varsity and Varsity. The JV team consisted of ten individuals; varsity, 20 girls. Thirty young, talented, energetic individuals all working together learning new cheers, chants and dances. The cheerleaders worked on many new skills and movements including many stunts. They all learned how to spot, base and fly. As the weeks progressed the team worked together helping each other to reach their potential. The group practiced five days a week, 2 hours a day; at the end of the week they performed their skills and routines at each game. They cheered on the sidelines, energizing the Cougar fans, and especially the players. The team performed stunts both individual and group, and various dances. As the season progressed routines became more and more complex, making them more and more enjoyable. The cheerleaders once again hosted the Homecoming Dance, which was a huge success.

The season started off with only three returning veterans, Jay Genoa, Steve Callaghan, and Pat Kelly. First year starters were senior Jason Waters, sophomores Steve Faria and Jeff White, freshmen Chris Herget and John Kalliavas. We had a rough start to the season with three straight losses. It was mostly lack of experience that hurt the team, but as the season continued the boys learned the pace and started to win.

The season ended with a six and six record for the year with big wins over Westport, Bristol Aggie and Avon. The team later beat every team that they had lost to during the season. At the league meet, Steve Faria and Jason Waters became league all stars by placing in the top ten. We are looking forward to next year and wish all the best to our departing senior, Jason Waters.

Girls Cross Country

The girls cross country season began with only two veteran runners, both seniors, Lindsey Parent & Rachelle Maenhout. Lindsey Parent proved to all that she was going to make her mark senior year. She was always the first Tri-County girl to cross the finish line and was chosen as a League All-Star. Rachelle was persistent in her efforts to continue to better her times from previous seasons. Runner Renee Plante, a junior, proved to be a formidable opponent also. Because of her efforts she too was chosen as a League All-Star. New sophomores to the team, Ashley Bemis, Elizabeth Ceruti, Aimee Harpin and Shannon Hegerich added to the overall achievements of the team.

Football

The 2000 edition of the Tri-County Cougar football squad completed another successful season marked with many first time accomplishments. Our first major accomplishment was the record number of player who attended our overnight double sessions training camp at Camp Mi-Te-Na in New Hampshire. Eighty players – twenty more than the previous year- committed themselves to a week of very hard work in preparation for the season.

The hard work paid off and brought the team together to accomplish several other memorable highlights – like the record setting 38 points scored in a match up against Minuteman Tech, and the 24 point outburst in the third quarter in a frantic comeback against Holbrook/Avon.

Overall, the team posted a record of 4 wins and 6 losses. Three of the 6 losses slipped away from the Cougars just in the closing minutes – Hudson Catholic by 2 points, South Shore Voke by 1 and Holbrook/ Avon by 2. The four wins and three very tight losses highlight the determination and spirit of the 2000 Cougars.

The competitive football team was driven by the leadership of the following Seniors: Jerry Calden, John Ferullo, Rich Giovanella, Tim Hubbard, Dave Fitzgerald, Jose Rivera and Captains Bill Jannino, Joe Marcin, Brian Ciccariello, Matt Callahan. They should be proud of their efforts and they will all be missed.

Golf

The Tri-County Golf Team made it another banner year. With a season record of 12 and 1 in match play competition, the talented Cougars took the Mayflower League Division II Championship for the second year in a row. The team also placed second in the State Vocational Championship and earned an opportunity to return to the Division III South State Sectionals. Receiving individual honors for their outstanding contributions to the team were Senior Co-Captain, James Gibney – Most Dedicated, Senior Co-Captain Dereck Lawes – Coach's Award and Joe Shea, Most Improved. Our third senior on the team, James Shea is to be commended for his outstanding play in our last match leading to the victory over Old Colony.

We thank the seniors for their leadership, encouragement, and perseverance to guide the underclassmen to an outstanding season of competitive golf. We wish them well with their future endeavors and career pathways. Take your best shot and have a ball!

Soccer

The 2000 edition of the Tri-County Cougars soccer team balanced solid experience and promising new talent. Senior tri-captains Scott Mark, Derek Hagerty and Matt Quesada provided strong leadership from back to front. Other graduating seniors, Nick Werner, Dave Crocker, Brendan O'Grady and Tim DelloRusso lent solid experience and consistent play that blended well with both experienced and inexperienced upper classmen, and several talented under classmen. Although the services of the seniors will be sorely missed and difficult to replace, a solid core of juniors including Matt Udell, Greg Ambrose and Chris Faille, and the continued sharp and improving play of sophomore Jenny Kennedy will help ease the transition into the 2001 season.

The 2000 volleyball season started with the loss of several key players. However, led by Captain Kristen Bastow, the ladies worked hard to form a solid unit. The lady Cougars battled proudly, improving with each contest. By the end of the season, everyone on the squad had shown dramatic improvement in their individual statistics and more importantly, showed that they had what it takes to form and be part of a competitive team. We bid our seniors goodbye and good luck and will take their spirit with us into our upcoming volleyball season.

After a slow start, the Cougars enjoyed an exciting seaon that included a three-game winning streak over league opponents. Tri-County beat Old Colony, Bristol Aggie, and Norfolk Aggie in consecutive games in the middle of the season. The highlight of the season came on January 26th when TC beat Old Colony for the first time in three seasons. In front of a full house, Billy Thomas scored 17 points, Brian Ciccariello added 14 points and Brian St. Martin hit four three point shots to lead the Cougars to vistory.

The Cougars were led in practices and games by senior co-captains Paul Hallisey and Brian Ciccariello. Other graduating seniors include guard Jerry Calden, forward Matt Callahan, and forward John Ferullo. These seniors will be missed dearly as they have been a part of the Tri-County basketball program for the last four seasons. Underclassmen included the team's leading scorer and rebounder, junior Billy Thomas, as well as juniors Mike Pizzi, Nick Barney, Mark Patterson, Brent Hennrikus, Mike Gaudet, and sophomore Brian St. Martin. This talented group will make Tri-County a team to be reckoned with in the Mayflower league for seasons to come.

A record number of thirty-seven girls played ball for the young Cougar this year; therefore a Freshman Team was added. Senior Captain, Jen Barry led the enthusiastic and improving ladies throughout the successful campaign. Our dynamic team is comprised of four tiers, in which all grade levels are well represented - three seniors, three juniors, nine sophomores and two freshmen. Over the years it has become more evident why these cheerleaders work so well together. The freshmen bring to the team enthusiasm, a fresh outlook and the need to learn and improve. The sophomores enter the season with determination, talent and lots of energy. The juniors, an accomplished group, provide the creativity, the perfected skills and a unique understanding of their sport. As seniors these individuals provide the confidence, the experience and expertise to successfully perform their routines. It is a group of individuals all working together to create a team in which all members succeed. All enjoyed the season, and many fond memories that will last a lifetime were created.

The Cougar wrestling team put forth a great effort this year, finishing the season with a 10-8-1 record, and as one of the top ten teams in the Central Section. Wrestling is a very demanding sport, mentally as well as physically. Wrestlers need to be in top condition when they step onto the mat to compete, one on one with their opponent, in front of a gymnasium full of fans. The coaches were very pleased with the way the team carried itself while representing Tri-County. The graduating seniors will be missed, but the underclassmen will no doubt step up and fill the void.

Following the impressive 2000 season, the 2001 varsity baseball team had some very big shoes to fill. With the loss of five starting seniors, the young and talented Cougars fought boldly throughout the season, but came up a little short in reaching their main objective of playing in the state tournament. Despite the loss of seniors from last year's team and some key injuries, the Cougars finished with a record of 10-12 and missed the state tournament by one game. With the loss of only two seniors from this year's squad, the young and talented Cougars look forward to next season with great expectations.

Lacrosse

In only its second year of existence, the 2001 Tri-County lacrosse team was very successful as it posted its first ever winning season. Although still a junior varsity program, the Cougars played a demanding 20 game schedule including contests with several division one schools. The enthusiasm and popularity of the sport has risen to a fever pitch at Tri-County.

The young Cougars made tremendous progress in terms of overall skill level and improved in every category from the previous year. With only two returning seniors from last year's team, the Cougars will be in a good position in 2002 to field an experienced team when the program enters the fray at the varsity level.

Unfortunately, the 2001 Cougars will lose the talents of two graduating seniors. Captains Joe Marcin and Scott Mark will be sorely missed on and off the field. Their leadership was invaluable in taking the program from an idea to a reality. The only people who will not miss these two young men are the members of the opposition who have endured two seasons of crushing body checks and blistering shots from Joe and Scott respectively. The coach would like to wish the seniors good luck in their future endeavors.

Senior captains, Melanie Prunier and Kristen Bastow, led the team by their example, playing significant roles in the team's march towards a league championship. The Lady Cougars achieved a 13-1 league record in winning the first-ever Mayflower League title in Tri-County history. The team was solid on defense with catcher Meghan Fountain, pitchers Nicole Chapman and Kristine Hobbs, first baseman Meagan Phillips, second baseman Melissa Connolly, shortstop Kristen Bastow and third baseman Annie Corkran. Melanie Prunier, Kristen Goulet, Danielle Bowen, Sara Miller and Kim Robinson strengthened the outfield. Anita Ouimet played varsity as a designated hitter and contributed immediately to the team's success.

Track & Field

The 2001 Tri-County track and field team finished the season with a large number of personal bests. Both boys and girls teams worked and played hard together. Despite the snow and rain, and flooded fields, the Tri-County team achieved many personal achievements during the season. Final performances were given by Jen Barry, Jerry Calden, Matt Callahan, Brian Ciccariello, James Gibney, Jess Girard, Paul Hallisey, Tim Hubbard, Amanda Madden, Brendan O'Grady, and Lindsey Parent. These seniors will be missed. There is however a strong contingent of underclassmen to include 4 juniors, 16 sophomores and 7 freshmen.

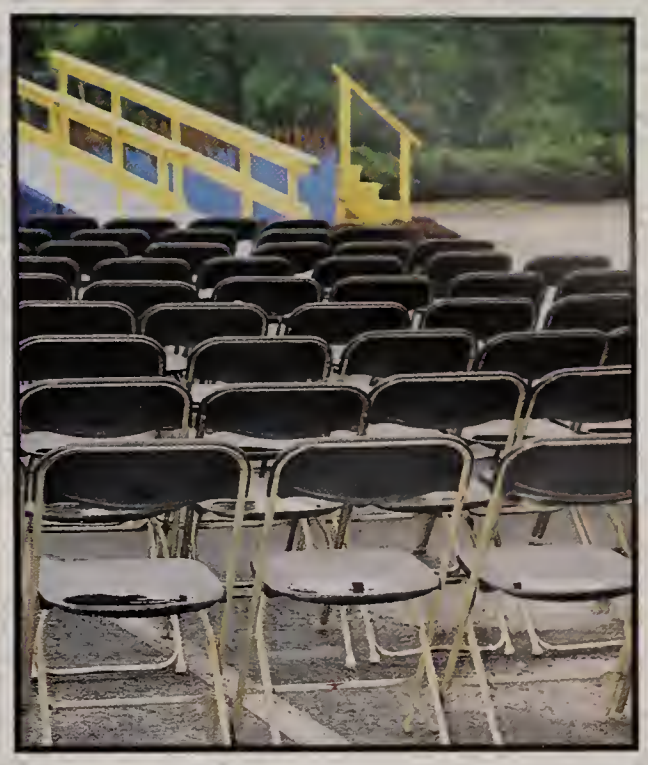
Graduation

June 3, 2001



2001

It is with both sadness and anticipation that we say goodbye to the Class of 2001. We know that they have many happy memories to reflect on - their time at Tri-County was well spent. We also know that they have many things to look forward to as well. We wish them the best as they venture out to follow their dreams. Continue to contribute to society, and continue to help one another. Stay in touch with your classmates, and keep up with them as they follow their dreams.

"My days of old have vanished, tone and tint. They have gone glimmering through the dreams of things that were. Their memory is one of wondrous beauty watered by tears and coaxed and caressed by the smiles of yesterday."
